Dear Mr Diop

As you complete your two-year term as a member of the Central Review Committee, I would like to take this opportunity to express the appreciation of the Executive Director of the United Nations Environment Programme and myself for your service; and, to thank you for the commitment and time you have given to the work of the Committee. Your willingness to take on this considerable additional workload has made an important contribution to the integrity of the staff selection process in the United Nations Secretariat at Nairobi for which we are most grateful.

Yours Sincerely

Sahle-Work Zewde
Director-General
